PROFESSIONAL SUMMARY

CSE student and aspiring Flutter Developer with practical experience in developing cross-platform mobile applications using Flutter, Dart, Firebase, and REST APIs. Experienced in creating user-friendly applications, integrating backend services, and implementing modern UI designs. Skilled in C, C++, Java, Python, and algorithmic problem-solving with a strong commitment to mobile app architecture and software engineering.

TECHNICAL SKILLS & CORE COMPETENCIES

Programming Languages	Dart, C, C++, Java, Python, HTML
Mobile & Backend Tech	Flutter, Android App Development, Firebase, Firestore, SQLite / Sqflite, REST API, JSON
Development Tools & IDEs	Android Studio, Visual Studio Code (VS Code), IntelliJ IDEA, Git & GitHub, Postman, GCC Compiler, CodeBlocks / Dev-C++
AI & Problem Solving	Custom AI Agents (Built Custom AI Agent), Prompt Engineering, Logical Thinking, Competitive Programming
Productivity & Office	MS Word, MS Excel, MS PowerPoint

PROFESSIONAL EXPERIENCE

Mobile App Development Intern — **CodeAlpha (India, Remote)** **July 20, 2026 – August 20, 2026**

Verification ID: CA/DF1/202633 | **URL:** codealpha.tech/#/verification?id=CA%2FDF1%2F202633

- Completed an intensive 1-month virtual internship focusing on Flutter, Dart, responsive UI development, and systematic debugging while gaining hands-on mobile engineering experience.
- Designed, built, and delivered standalone mobile applications including the *Flashcard Quiz App* and *Quote Vault*.
- Demonstrated strong analytical and problem-solving skills, adapted rapidly to emerging technologies, and earned an official **Letter of Recommendation (LOR)** for exceptional performance and collaboration.

EDUCATION

BSc in Computer Science & Engineering (CSE) — Bangladesh University **Sept 2026 – Dec 2028**

Higher Secondary Certificate (HSC, Science) — Kalatia College **Nov 2023 | GPA: 4.50**

Secondary School Certificate (SSC, Science) — Kalatia High School **Dec 2021 | GPA: 3.94**

TECHNICAL PROJECTS PORTFOLIO

Project & Tech	Architecture & Key Features	Live / Repository Link
Trendify – E-Commerce Flutter, Dart, Web/Mobile	Modern e-commerce application featuring responsive product browsing, clean UI design, and user-friendly shopping workflows.	`meek-chimera-356c93.netlify.app`
BMI Calculator Java, Android SDK	Native Android app that computes Body Mass Index, classifies health categories, and provides personalized weight recommendations.	`github.com/Amirhossainlimon/BMI_Checker_APP`
Task Manager App Flutter, Dart, SQLite	Productivity mobile application crafted to organize and track daily tasks with an intuitive, clean Flutter interface.	`github.com/Amirhossainlimon/Task_Manager`
Weather App Flutter, REST API, JSON	Real-time weather forecasting app integrating RESTful APIs to fetch and display live meteorological metrics.	`github.com/Amirhossainlimon/Simple_weather_app`
Quote Vault Flutter, Dart (CodeAlpha)	Motivational quote application built during internship, offering curated quotes with smooth navigation and sharing options.	`github.com/Amirhossainlimon/CodeAlpha_Quote_Vault_APP`
Flashcard Quiz App Flutter, Dart (CodeAlpha)	Interactive flashcard and quiz application engineered during the CodeAlpha internship for active recall and score tracking.	`github.com/Amirhossainlimon/CodeAlpha_flashcard_quizApp`

CERTIFICATIONS, TRAINING & CONTESTS

- **Flutter & Dart App Development Course** — Ostad
- **Data Science Workshop** — Ostad
- **Cybersecurity & Ethical Hacking Workshop** — Ostad
- **Cybersecurity Seminar** — Bangladesh University
- **AI+ Prompt Engineer** — NetCom 365 - AgentX
- **Internship Completion Certificate** — CodeAlpha (Aug 2026)
- **Internal Competitive Programming Contest** — Bangladesh University
- **Spoken & Phonetics / Grammar & Writing** — Mentors'

AWARDS & VOLUNTEERING LEADERSHIP

Award — Letter of Recommendation (LOR), CodeAlpha (August 2026): Awarded for exceptional performance, analytical problem-solving, and collaboration during the 1-month Virtual Mobile App Development Internship (Verification ID: CA/DF1/202633).

Volunteering — Leader, Kalatia Anti-Discrimination Student Community (August 6 – Present): Leading student community initiatives, organizational coordination, and social advocacy in Keranigonj, Dhaka-1313.

PROFESSIONAL REFERENCE & ADDITIONAL INFO

Swati Srivastava — *Mentor & Professional Reference (CodeAlpha App Development Internship)*
Provided technical guidance and mentorship throughout my internship journey across Flutter, Dart, UI Design, and API Integration.
